Solving Math Word Problems

Translate Word Clues Into Math Signs

addition

sum add
increased by
both together
in all more
 combined
plus and

multiplication

double/triple
times twice
multiple
product
of

subtraction

less than subtract
decreased by
remainder difference
minus fewer
drop take away

division

quotient share/split
per divided by
half/one-third ratio
goes into average

equals

is
are
were
will be

parentheses

Times the difference of
Twice the sum of
Plus the difference of
